Welcome Refreshment For "St. Nick's Helpers" Are Raisin Cherryettes

Preparing Christmas packages for family and friends can be loads of fun when you plan a gift-wrapping session for your household. For a welcome refreshment during the coffee break, bring on crisp Raisin Cherryettes. These delicious fruit-filled cookies are easy-to-prepare using packaged corn flake crumbs and tenderized Christmas fruits—raisins and candied cherries. Since these baked goodies keep well, they make an ideal gift to bring along to your holiday hostesses.

Raisin Cherryettes

2 cups Kellogg's Corn Flakes
1 cup Kellogg's packaged Corn Flake Crumbs
1 cup sifted flour
½ teaspoon salt
¾ cup soft butter or margarine
¾ cup sugar
1 egg
1 teaspoon grated lemon rind
1 cup flaked coconut
½ cup golden or dark raisins
¼ cup coarsely chopped candied cherries

If using Corn Flakes, crush into fine crumbs. Sift together flour and salt; mix with Corn Flake Crumbs. Blend butter and sugar until light and fluffy. Stir in egg and lemon rind. Add dry ingredients; mix well. Stir in coconut, raisins and cherries. Drop by teaspoonfuls onto greased baking sheets. Bake in moderate oven (350°F.) about 15 minutes.

Yield: about 4 dozen cookies, 2 inches in diameter.

...ryone Can Make A Gift Candle

Two teaspoons of a pretty color all-purpose dye, such as Rit, and one pound of paraffin are the essential ingredients of candle making. String, scissors, and other household staples are other necessities. Milk cartons and juice cans are fine molds.

To do: melt paraffin according to directions. Add Rit, remove from heat, and stir for 3 to 5 minutes. Let stand awhile for undissolved dye to settle, then pour into chosen molds. Allow to partially harden before poking down wick (ordinary string which has been hardened by pre-dipping in melted paraffin). To remove from molds, dip into very hot water and shake out. Decorate with sequins, Christmas seals, or slightly cooled melted paraffin—whipped—for a snow effect. Tempera paint adheres best when mixed with a little liquid detergent.
